KNOW YOUR ONIONS!
2018 HARVEST APPEAL
Richard, an African boy, dropped out of school because his family could no longer afford his school fees. Through support from Self Help Africa's youth project he was supplied with an onion growing start-up kit and used the knowledge learned on a course to plant 0.25 acres of onions. Please show your thankfulness for all that is available to us by supporting our Harvest Appeal to supply Self Help Africa with onion growing start-up kits. Envelopes available in all the Churches for your donation.
