Sunday March 20th 9.15 Parish Communion

Simply Soup for Christian Aid

Instead of our usual Lent lunches we have decided to continue as last year and make portions of soup and bread for collection/delivery from the church in aid of Christian Aid.

Have a look at the work carried out by this charity .

<https://www.christianaid.org.uk/>

There are many opportunities for you to help in or around the Church and many thanks to those who continue to give support. Please contact us if you can spare a little time.

Work carried out to clear the borders around the Church last week allowing plants to gain more light and trees to become stronger !

Following the chat our **Eco Champions** had, we agreed that there was scope for exploring what options there might be for caring for both church green and churchyard areas in a more environmentally friendly way. It was suggested that the starting point should be a survey to see what we had already; then we'd be better placed for seeing what improvements could be made. So we agreed that in the summer we would organise a survey – hoping to draw on the expertise of a contact in Durham to help with this; and then we would think about our options.

It would be good to involve anyone interested in the village, including children and their families, where feasible.

Please help yourself to compost/mulch!

At the left hand side of the Church kitchen door, bring a spade and bag !

Lord, Jesus, today is Your day, and I want
Your will to be done. So, whatever
happens, hold my hand and let's face it
together. Amen.
