
ST. JOHN THE BAPTIST NEWS

Platinum Jubilee Weekend

Thank you to everyone who made St John the Baptist Church and the village look so special. Organisations and individuals came together to create a wonderful flower festival and a special Thanksgiving Service.

Just beautiful displays and a special time with everyone in the Church preparing, thank you again!

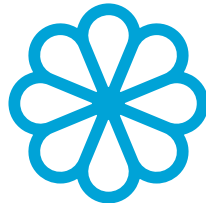

Service of Thanksgiving with fizz to follow!

Hilary Burns encouraged all ages to join in the craft activity on the green producing wonderful pom-poms for the Jubilee weekend.

What a fantastic weekend, Church Green was buzzing with activity, music and art.

Thank you to Brian Powell for his paintings in the porch.

The weather was kind for our younger and older surveyors at Foxton churchyard. Our findings add to a national database of UK wildlife to help care for the nature around us. After leaving the grass to grow to help us identify wildflowers and grasses, it is now being mown again. Thank you to everyone who helped with this and contributed on the day.

Lord Jesus, light up our lives with your love.

Dispel the darkness within us, and light up
the way ahead.

Amen
